

## Riding the Express

Mike Hobbs; Express UU Bar Ranch, Cimarron, NM

The Express UU Bar Ranch, L.L.C. is a privately owned, working cattle ranch in Northeastern New Mexico. Our parent company, Express Ranches is based out of Yukon, Oklahoma. As a recent acquisition of Express Ranches, the UU Bar adds to Express Ranches a production unit of commercial cows and calves plus 3,000—5,000 yearlings each year. The ranch encompasses roughly 160,000 acres, with various types of terrain ranging from 6,000 - 10,000 feet in elevation. The UU Bar functions year round as a cattle operation, and also affords sportsmen of all kinds a wealth of recreational opportunities.
